

Two ways to use Kidtime.

On your own.

Organize your schedule, save private notes, and track expenses.

With your coparent.

Share your schedule and messages. Make calls and revisit transcripts with Premium.

Your coparent can message and receive your calls for free.

Start free. Stay organized.

This month's calendar, notes, messages, and expenses.

No card. Never expires.

YOUR SCHEDULE

Know what's coming next.

See whose time it is—and when your next handoff happens.

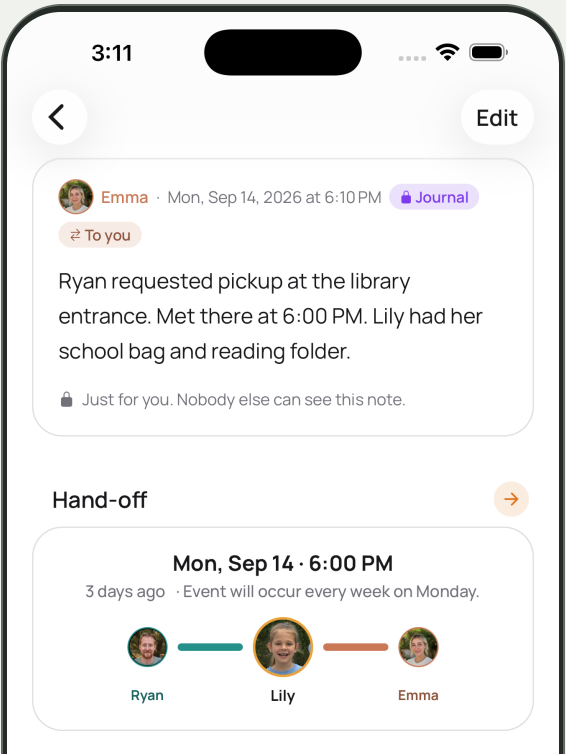

Set a schedule that fits your family.
Update it when plans change.

YOUR NOTES

Remember what actually happened.

Save notes, photos, and pickup changes while they're fresh.

Your notes. Your choice.

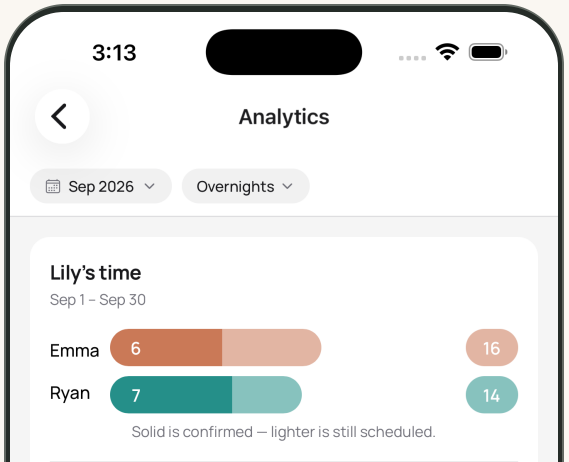

Private until you choose to share.

Example screens

YOUR RECORD

See the pattern over time.

Review parenting time and overnights in one clear view.

Take your record with you.

Export your parenting history
when you need to share it.

Bring your attorney in.

Give view-only access to your records
and message directly.

Included with Premium
