

Two ways to use Kidtime.

1 On your own.

Your schedule, your notes, your expenses. Nobody else has to join.

2 With your coparent.

One calendar you both see.
Messages kept for both of you.
Calls and transcripts with Premium.

Start either way. It's free for your coparent to join.

Start free.

The current month is always free:
calendar, notes, messages and expenses.
Upgrade only if you need more.

Scan to get
Kidtime.

Free on iPhone and
Android.

Free on iPhone and
Android.

kidtime.app

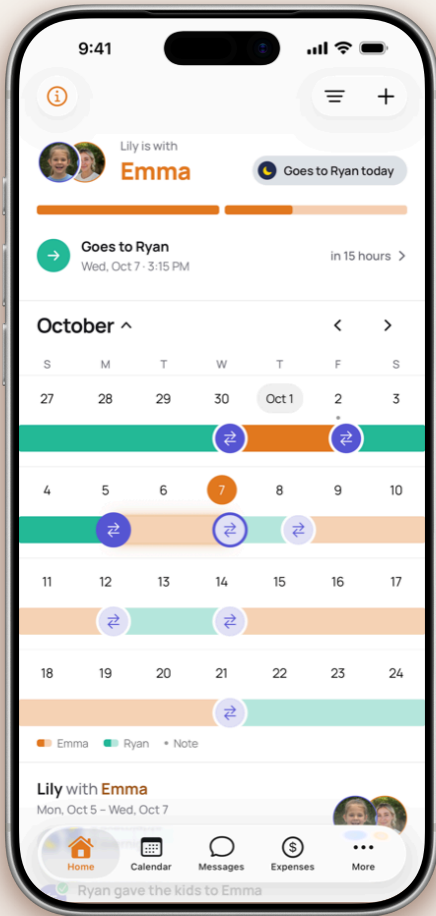

Both homes. One calendar.

Every night and every hand-off,
on one calendar.

Every overnight counted, per child

Swaps and hand-offs marked on the day

Hand-offs confirmed, not just planned

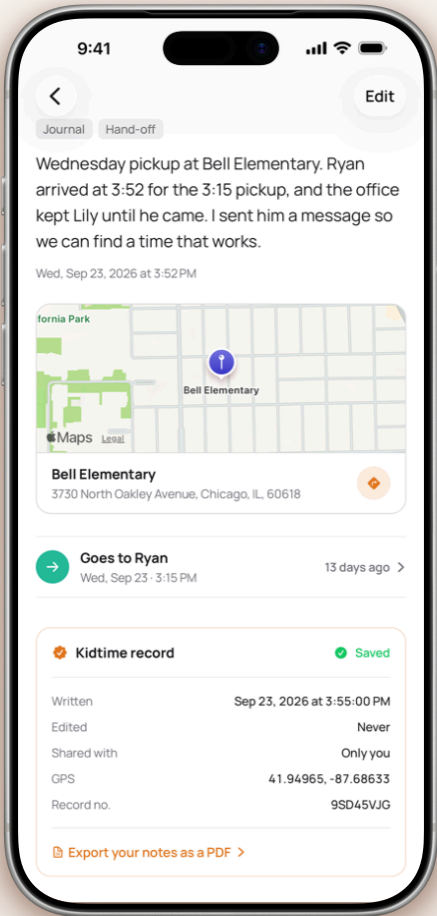

What happened. When. Where.

Every note keeps its time and place.
Private until you share it.

Time and place on every note

Photos and files attached

Linked to the hand-off it belongs to

Court-ready records.

Your schedule, notes and hand-offs,
organized for attorney review.

Every overnight and hand-off, dated

A record ID on every page

Export as a PDF, or share view-only access
